

EXPERIENCING
GOD

It's Unbelievable

**“In the beginning was the Word,
and the Word was with God, and the
Word was God. He was in the
beginning with God. All things were
made through him, and without him
was not any thing made that was
made. In him was life, and the life
was the light of men. The light
shines in the darkness, and the
darkness has not overcome it.**

**There was a man sent from God,
whose name was John. He came as
a witness, to bear witness about the
light, that all might believe through
him. He was not the light, but came
to bear witness about the light.**

The true light, which enlightens everyone, was coming into the world. He was in the world, and the world was made through him, yet the world did not know him. He came to his own, and his own people did not receive him...

But to all who did receive him, who believed in his name, he gave the right to become children of God, who were born, not of blood nor of the will of the flesh nor of the will of man, but of God.

And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth. (John bore witness about him, and cried out, “This was he of whom I said, ‘He who comes after me ranks before me, because he was before me.’ ”)...

And from his fullness we have all received, grace upon grace. For the law was given through Moses; grace and truth came through Jesus Christ. No one has ever seen God; the only God, who is at the Father's side, he has made him known.” John 1

**In the beginning was the rational
integrating principle, and the
rational integrating principle was
with God, and the rational
integrating principle was God. All
things came into being by the
rational integrating principle, and
the rational integrating principle
became flesh and dwelt among us.**

" In the beginning was the captain and pilot of the universe. And the captain and pilot of the universe was with God. And the captain and pilot was God. And the captain and pilot of the universe became flesh and dwelt among us.

In the beginning was the self expression. The self expression was with God. The self expression was God, and the self expression became flesh and dwelt among us.

In the beginning was the higher power. And the higher power was with God. And the higher power was God. And all things came into being by the higher power, and the higher power became flesh and dwelt among us.

In the beginning was the grand unified field force, and the grand unified field force was with God, and the grand unified field force was God, and the grand unified field force became flesh and dwelt among us. Unbelievable.

The Word became a human being.

Hail the incarnate Deity, Pleas'd as
man with us to dwell, Jesus our

had something in it bigger than the
whole world." CS Lewis**

shape the earth in darkness, cling
now to a mother's breast,
vulnerable and helpless."**

***Older than eternity, now he
is new. Now native to earth as I am,
nailed
to my poor planet, caught
that I might be free, blind in my
womb
to know my darkness ended,
brought to this birth for me to be
new-born,
and for him to see me mended
I must see him torn. Luci Shaw***
